

SPUD Construction Notice

Notice to Hyak Customers,

Starting May 2021, construction of the new wastewater treatment plant will begin. The work site is located behind the green shop at 930 Hyak Drive. Phase one of four will be completed this year. Additional construction projects are scheduled during phase one to save time and money while completing phase two through four which are scheduled to start in 2023.

Heavy truck traffic and noise is expected May through October while the bulk of the construction is being completed.

Working hours for the project are 6:00 am to 4:30 pm Monday – Thursday. The expected projected completion is January of 2022.

Please visit the District website at www.snopass.org for more details. The District is creating a new construction page and will make regular progress updates and communicate with the community.
